ESCALATION TO THE NEXT LEVEL

# COMPANY PRODUCT INTRODUCTION OUR PRODUCTS

Our commitment to support and delivering high-quality solutions and product supplies that address market demands and to meet customer expectations-requirements.

## COMPANY PRODUCT AND SERVICES SCOPE

# ALL OF OUR PRODUCTS SUPPLIES AND SERVICES

### WAREHOUSE ROBOT

Revolutionize your warehouse operations with our cutting-edge supply smart warehouse robot, streamlining processes, increasing efficiency, and driving productivity to new heights.

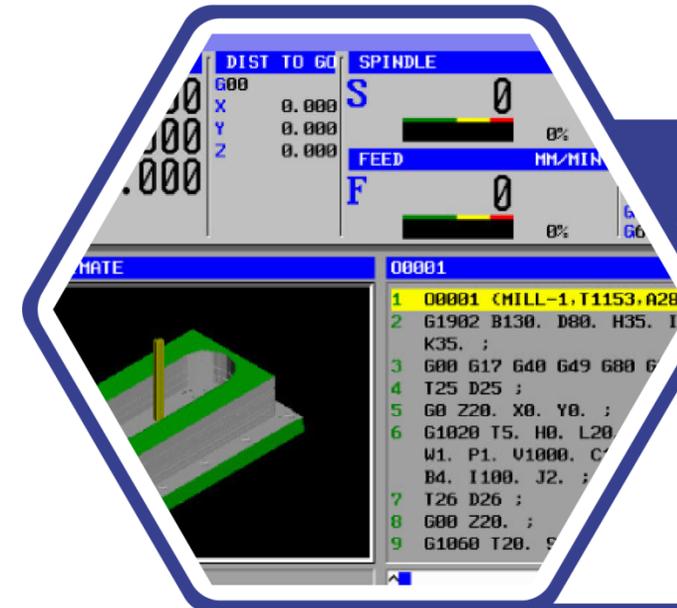

### SIMULATION DEVICES

Enhance your workforce's skills and knowledge with our state-of-the-art simulation training devices. Our simulator training devices type: Excavator simulator, forklift, wheel loader, crane, grader and many more simulator training type.

### CNC MACHINE

Elevate your manufacturing capabilities with advanced CNC machines, precision-engineered for efficiency, accuracy, and reliability to optimize production processes and drive business growth.

### CNC PROGRAMMING

Empower your manufacturing operations with our expert CNC program services, tailored to your specific needs and designed to optimize efficiency, and precision. Our programming capabilities: milling, turning, grinding, wire cutting and more

## COMPANY PRODUCT AND SERVICES SCOPE

# ALL OF OUR PRODUCTS SUPPLIES AND SERVICES

### MACHINERY **REPAIR**

Trust us to provide expert care for your equipment, so you can focus on what matters most – your business. Our scope of repair: pumps, genset, PLC programming, motor wiring and etc.

### SPARE-PART **SUPPLY**

Ensure the smooth operation of your machinery with our reliable spare parts supply service. Our range of spare-part supply: diesel engine component, filters, electric product and wide range of mechanical component.

### PRODUCT **DEVELOPMENT**

Transform your product ideas into reality with our comprehensive product design and development services. Our product development scope: construction, components and architecture.

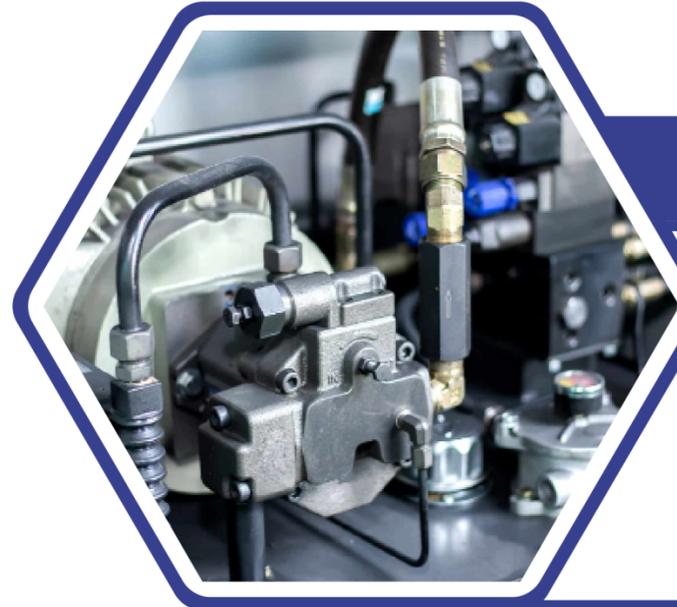

### MATERIAL **SUPPLY**

Optimize your production processes with our reliable raw material supply services, offering a wide selection of materials from trusted sources. Our type of raw material supplies: Steel Plate, beam, hollow, round bar, square bar, pipes and many more.

## COMPANY PRODUCT AND SERVICES SCOPE

# ALL OF OUR PRODUCTS SUPPLIES AND SERVICES

### HYDRAULIC COMPONENTS

Drive the efficiency of your hydraulic component from our supply services, offering a diverse range of high-quality components sourced from renowned manufacturers.

### PNEUMATIC COMPONENTS

Enhance the efficiency of your pneumatic systems with our premium pneumatic component supply services, our wide range of pneumatic product are source from leading global brand.

### CONSUMABLE PRODUCTS

Streamline your supply chain with our extensive range of industrial products, including welding gloves, welding rods, cutting discs, grinding discs and wide variances range for oil and gas construction consumables.

### OFFICE PRODUCTS

Equip your office with our comprehensive range of supplies, including pens, pencils, marker, notebooks, printers, computers, paper, office desk, office chair, cabinet and more.

## COMPANY PRODUCT AND SERVICES SCOPE

# ALL OF OUR PRODUCTS SUPPLIES AND SERVICES

### CNC CUTTING TOOLS

Enhance your machining precision and efficiency with our CNC cutting tool supply services. With competitive pricing, timely delivery, and expert support, we are your go-to partner for maximizing productivity and achieving superior machining results.

### WEBSITE DEVELOPMENT

Transform your digital presence with our website development services, designed to enhance your online visibility. Our team of skilled developers will create a custom website that showcases your unique brand identity and delivers a seamless user experience.

### WEB-BASED APPLICATION

Revolutionize your operations with our web-based application supply services, offering innovative solutions that enhance productivity and optimize performance. Our experienced team of developers will design and deliver customized web applications tailored to your unique business needs.
